

I urge you not to repeal the rules that prohibit a media company from owning both a newspaper and a TV station in the same geographic area.

I like the diversity that currently exists in opinions, news and information between the newspapers and the TV news in my area.

I sincerely feel that repealing those rules would severely limit this diversity, if not eliminate it completely.

The diversity of opinion and public expression of ones' beliefs is what makes this country a democracy.

I believe that repealing this rule would certainly hamper free thought and free speech. Thank you.
